The interface displays a grid of 18 video thumbnails, each with a similarity score and a timestamp. The thumbnails show a person walking through a hallway. The final frame in the grid is highlighted, and a larger view of this frame is shown on the right. The larger view shows the person crouching near a blue box, with a bounding box around them. The timestamp for this frame is 15:26:37. The interface also includes a search bar, a filter dropdown, a similarity slider, and a time slider.

Thumbnail	Similarity	Timestamp
